

# — Painting — in Tuscany

**The Old Olive Press** is proud to be running a painting course this Summer with artist, Karen Pearce .

**Your Tutor** Karen would like you to join her for a week painting immersed in the Northern Tuscan countryside, with its mountains, castles, hill towns and typical local cuisine. The course outline will be simple - to get immersed in the evocative Tuscan atmosphere and be ready for some relaxed creativity! Karen says "I'm excited to be tutoring on such a stimulating painting holiday - in which beginners as well as those with longer experience can participate and enjoy."
